

Worship

We invite you to join us on Sunday morning at 8:00 and 10:00. The 8:00 service is Rite I. This service is both powerful and contemplative. It forms the basis for a strong community of faith. The 10:00 service is Rite II. Music is always offered in the form of hymns and the 1884 Roosevelt organ. Choir pieces are part of all major holiday services and on occasional Sundays throughout the year. We also enjoy performances by some of the many professional and talented amateur musicians who live nearby. "Godly Play," a high-quality Sunday School experience for children aged 4 and up, is also offered at 9:45. St. Paul's provides nursery care during the 10:00 service.
